

Vision College is growing and moving towards great things! Our goal and mission is to train disciples and leaders for all areas of Christian service and ministry. We offer One and Two Year programs along with an intern program that provides hands-on training for ministry.

Our students are seeking God's will for their lives and desiring to be prepared for what God calls them to do. For some students the cost of going to colleges is prohibitive. We would like to provide financial aid to those who qualify.

If you would like to scholarship a student please fill out the form below and return to Vision College via e-mail or mail. The scholarship can be for someone specific (friend, relative, someone from your church) or it can be a general scholarship to aid a deserving student. We do have certain criteria that each student requesting assistance but meet before we offer them a scholarship.

Sincerely,

Terry Tarsiuk
Dean
