SBC Academic Calendar will experience slight variations between the Federal Way and Mill Creek campuses. Students are responsible to know and apply the calendar specifics for their campus.

The weekly schedule for the regular evening courses at the Mill Creek campus primarily utilizes selected weeknights. The weekly schedule for the regular daytime courses at the Federal Way campus utilizes a Monday through Thursday daily format.

Daytime modular courses are scheduled in various short-term, intensive formats.

The CGSL master’s level program schedule utilizes a daytime or evening modular-intensive format. Check with the SBC office re. any changes, summer courses, or campus-specific scheduling particulars.
